VACATION
ORDERS

unnumbered
story

The page layout in this volume preserves the Japanese right-to-left order, and should be read in reverse of how you'd read a Western comic page. Also, the Japanese sound-effect characters are often part of the graphic design, and have been retained in many cases to keep the original "look" of the comic. Good luck!

First, we send him on a ten-day vacation.

Here's the scenario I've created.

To South Germany, where he spent nine years and went to school.

We'll do it by maneuvering behind the scenes.

If I talk to him about marriage, I'll just get chewed out.

Like a commercial romance.

Quite a peace-keeping concept, isn't it?

So he and she will...

It's my goal to awaken some feeling in that fool.

He's still young. While he's free and on vacation, he'll enjoy a "love adventure."

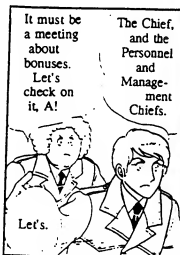

There are plenty of female staff with crushes on him, but what kind of woman would he like?

About that kindhearted woman, who is there in the division?

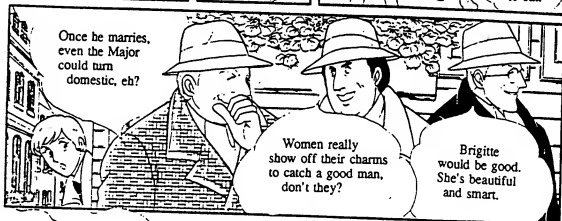

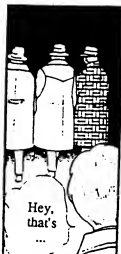

If we knew that, this wouldn't be so hard.

He'll be at a health resort with forests and lakes and old castles. He'll sight-see there and get into a mellow mood. Then we'll have him attend a class reunion.

The Major will talk with his old friends, and after hearing those who are husbands and fathers, he'll think about his own life. Then, while he's feeling melancholy and sentimental, a beautiful, kindhearted woman will appear...

The Chief, and the Personnel and Management Chiefs.

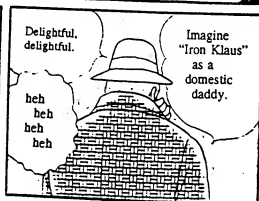

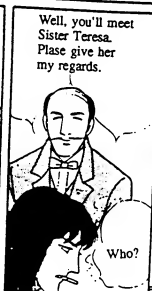

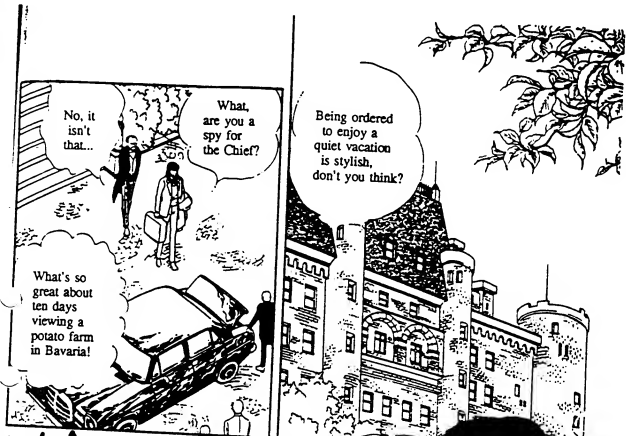

We'd be for Alaska.

If the Major heard it he'd be raging.

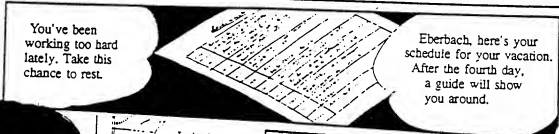

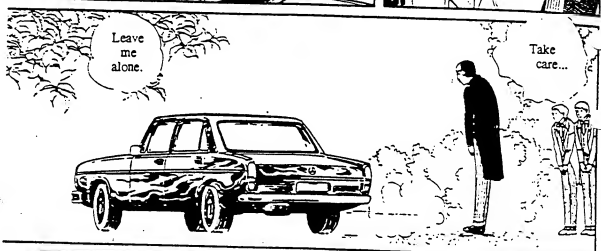

We never heard this talk.

* A German equivalent to college-prep high school.

Eberbach!

But if there's something important at the hotel...

Forget all that, and mellow out...

Look, that's all wrong.

Is there a Soviet-bloc spy with them?

Am I spying on one of the participants?

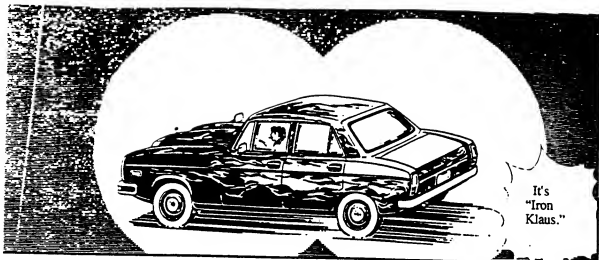

No more questions! Your instructions are to go on a sight-seeing vacation. That's an order! Right!!!

Ah, it must be top-secret orders that can't be explained even to me.

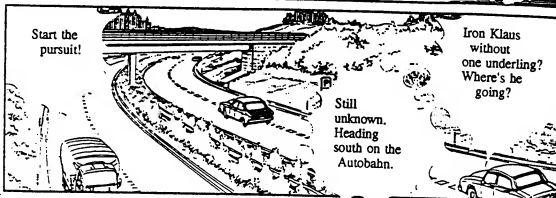

I understand.

From the Chief's reaction this is no ordinary vacation.

Why would they send me to Bavaria for a so-called vacation?

It's
"Iron
Klaus."

Start the
pursuit!

Iron Klaus
without
one underling?
Where's he
going?

Still
unknown.
Heading
south on the
Autobahn.

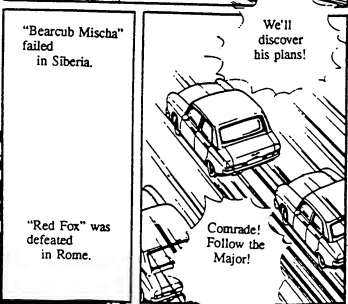

I,
"Green
Badger,"
will defeat
Iron
Klaus.

So this can
only be on
secret orders
from a
high-placed
source.

He always
works with
subordinates.
It's his
habit.

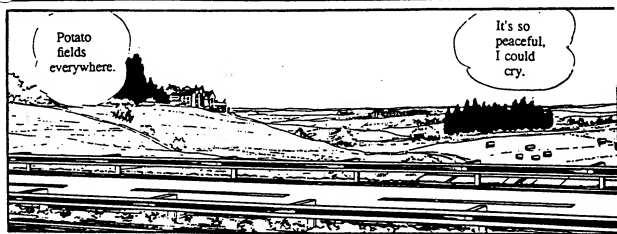

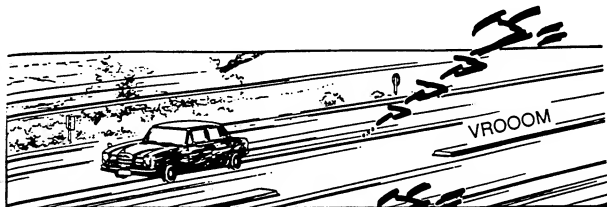

"Bearcub Mischa"
failed
in Siberia.

We'll
discover
his plans!

"Red Fox" was
defeated
in Rome.

Comrade!
Follow the
Major!

Potato
fields
everywhere.

It's so
peaceful,
I could
cry.

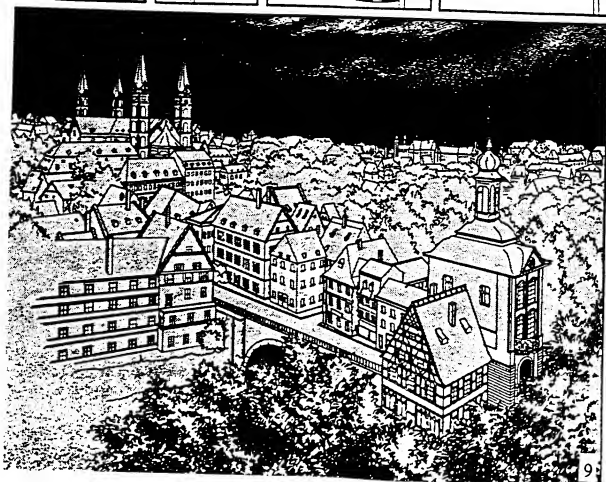

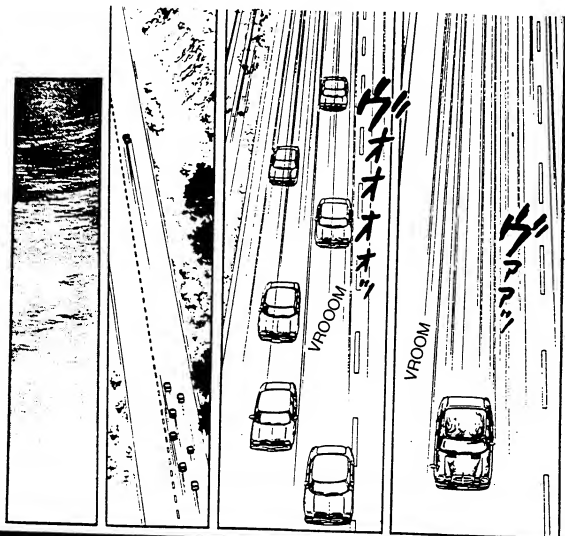

That guy
won't
be here.

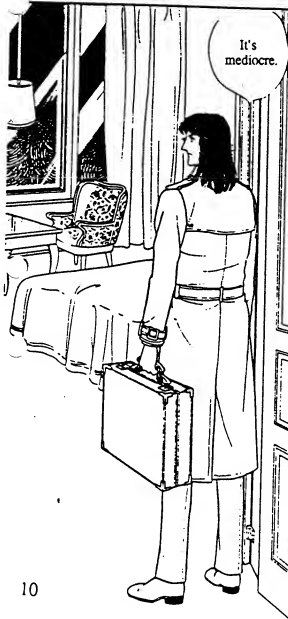

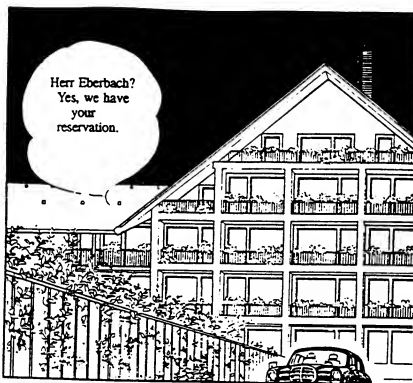

The
potatoes
brought up
a bad
memory.

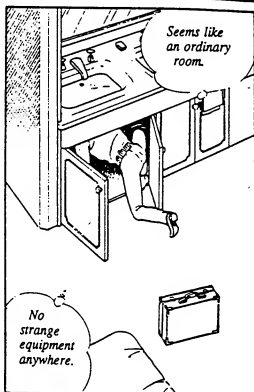

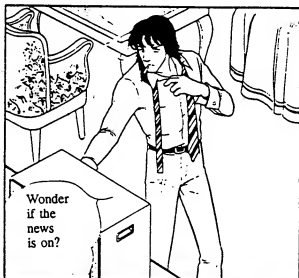

I must
forget
about
potatoes.

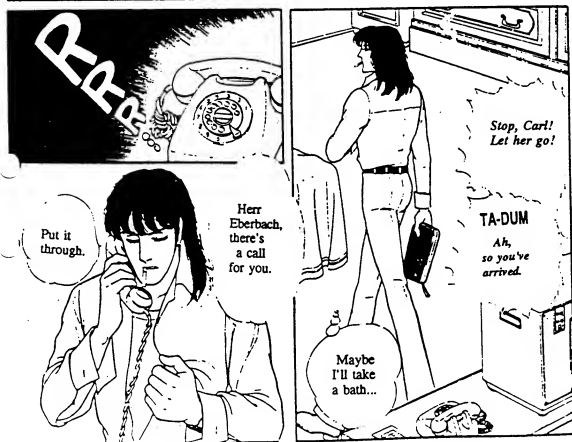

Sister
Eroica.

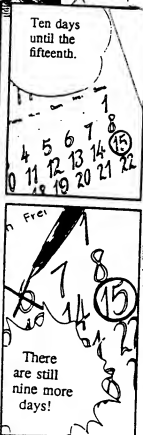

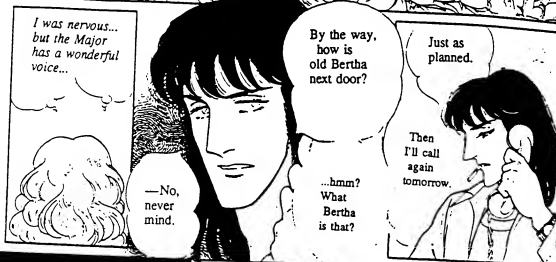

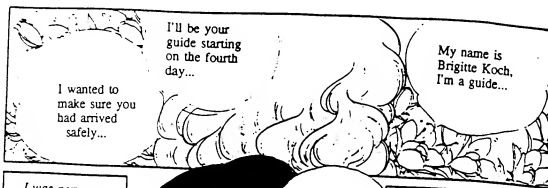

Klaus really loves
fried potatoes.

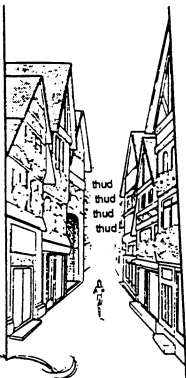

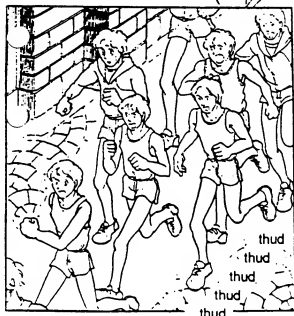

Yesterday
I was
driving.

Today, I'll
spend the
whole day
exercising.

Comrades,
follow the
Major!

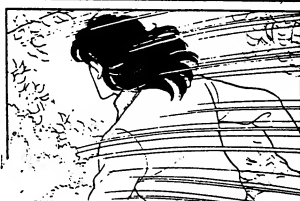

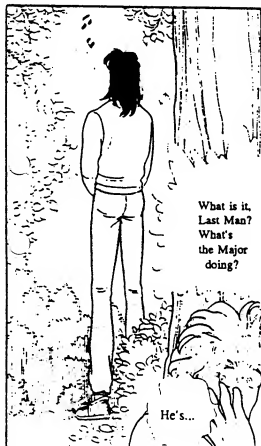

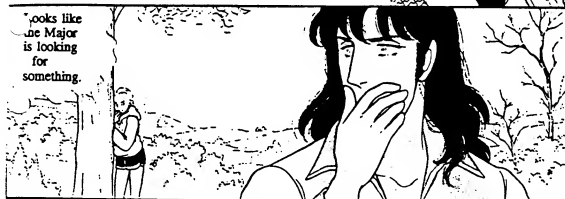

Don't
make him
suspi-
cious!

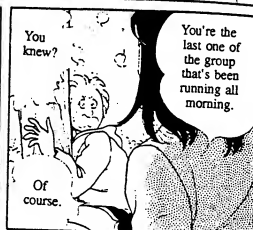

Green Badger.
The Major is
heading for
the next town
at high speed.

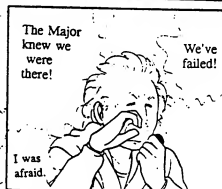

Don't push yourself too far.

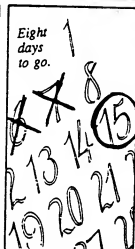

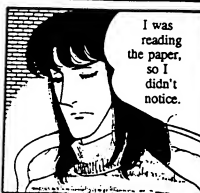

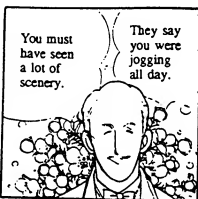

You're the last one of the group that's been running all morning.

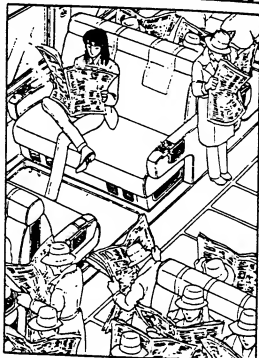

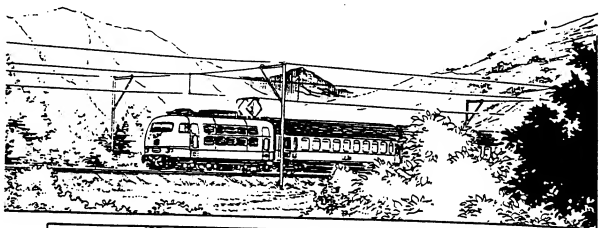

I was afraid.

I'm in a bad mood, regardless of the Chief's orders.

'Cause it'll just be a bunch of guys I used to beat up.

We'll be there soon, little Klaus.

clacka - clacka - clacka -

Klaus Heinz
vom dem
Eberbach,
think of
your honor
as my son.

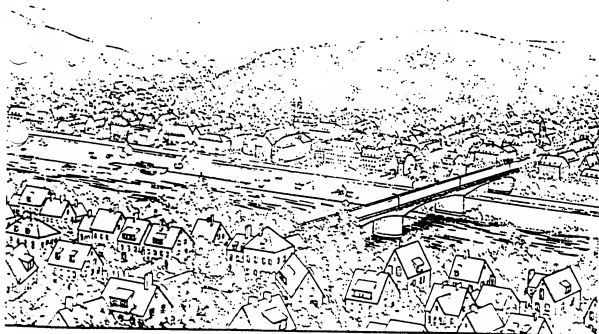

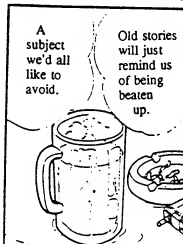

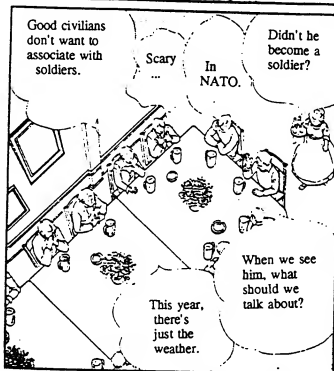

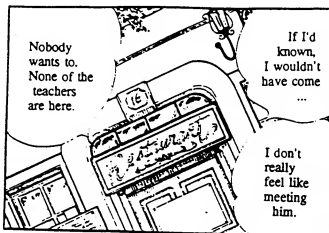

It's a
boarding
school,

Yes, sir,
Father!

clacka - clacka - clacka -

Five of us punks picked a fight with him.

Once, in Sister Teresa's potato field...

I was pretty bad as a kid, too, but...

He was incredible from the first year on.

SMACK

You bastard!

Waaa!

A fight, a fight!

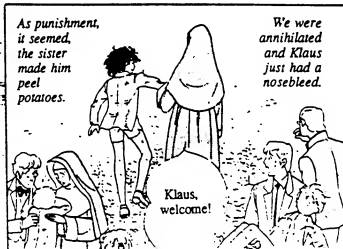

We thought we'd beat him up, but...

He was a big, hulking, disgusting brute who made impudent faces.

Taught by his old man, the ex-soldier, no doubt.

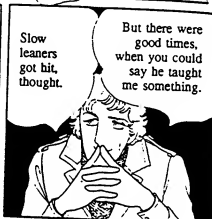

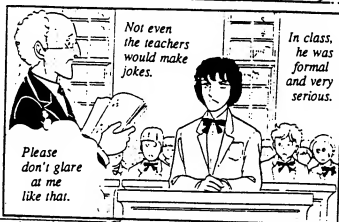

He really knew how to fight.

As punishment, it seemed, the sister made him peel potatoes.

We were annihilated and Klaus just had a nosebleed.

Klaus, welcome!

As "West Hall Klaus," he had a reputation even in the town.

He was big, and handsome. — he was a guy who stood out wherever he went.

"West Hall Klaus" and "East School Schwartz." right? They still talk about it here.

That was when he was captain of the soccer team.

Do you remember the soccer incident?

We won the East-West match, 1 to 0, but during the match Klaus and Schwartz got into a big quarrel.

And their captain, Schwartz, was a scary one too.

Our rival school was to the East, across a river.

"I'll tell Klaus," and "I'll tell Schwartz," were often heard on each side.

There was a huge brawl, East versus West, that made such a racket that a patrol car was sent out.

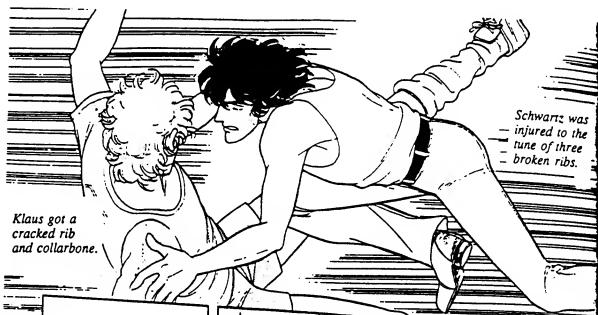

When we toasted Klaus in town, Schwartz attacked the soccer team.

Even the policemen looked on, scared of those two who were bigger than they were.

And it became a confrontation between "West Klaus" and "East Schwartz."

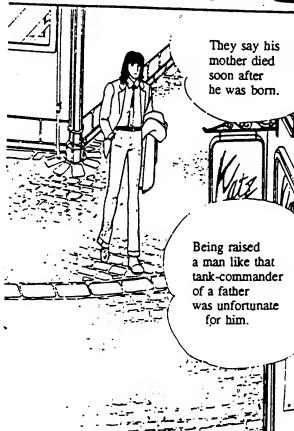

Klaus got a cracked rib and collarbone.

Schwartz was injured to the tune of three broken ribs.

He was a man like a tank.

They say his mother died soon after he was born.

Being raised a man like that tank-commander of a father was unfortunate for him.

I have a kid of my own, so I know what it's like, but...

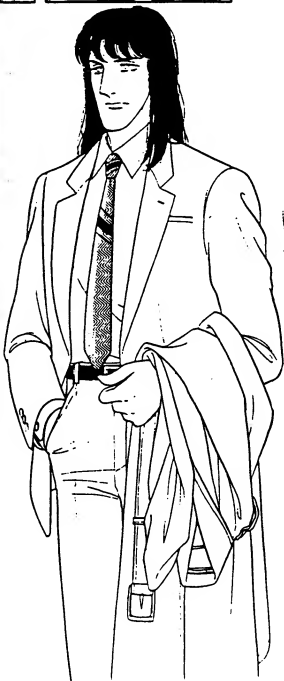

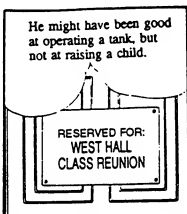

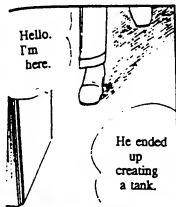

I think there was a problem in how his parents raised him.

Just thinking of the kind of soldier that stalwart guy would make is frightening.

We all have to stick together.

So, shall we talk about the weather?

Weren't you talking about tanks?

We've been gossiping about you.

Thanks for coming, even though you were busy.

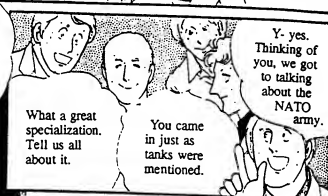

This brings back old times.

Look, beer! Drink up! Drink up!

If you just want to make talk, like about the weather,

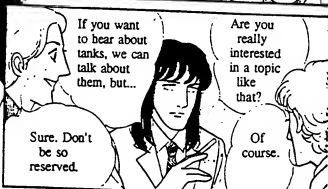

I refuse.

What a great specialization. Tell us all about it.

You came in just as tanks were mentioned.

Y-yes. Thinking of you, we got to talking about the NATO army.

If you want to hear about tanks, we can talk about them, but...

Are you really interested in a topic like that?

Sure. Don't be so reserved.

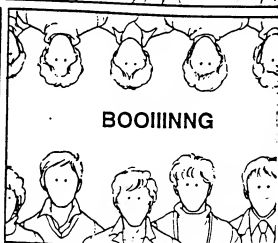

Of course.

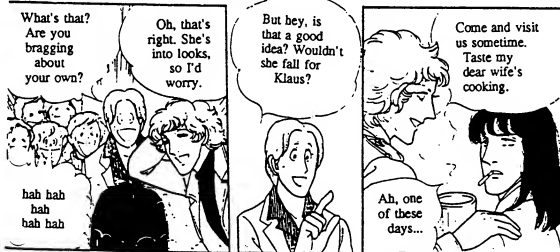

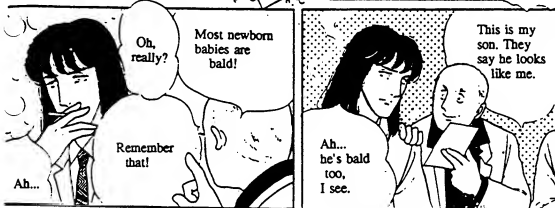

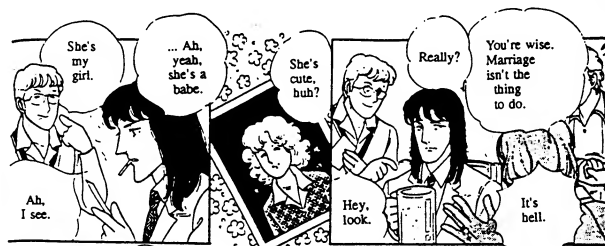

H-bey Klaus, you're still a bachelor, huh?

Ah...

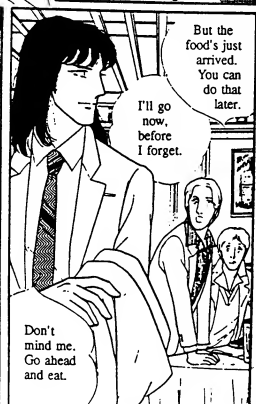

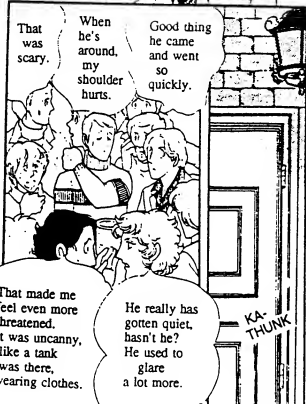

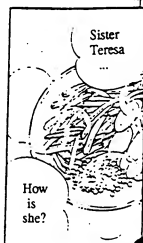

The food sure is slow to get here. I wonder why...

BOOOIINGG

*I feel
dizzy.*

Hmm

Better if
he just
vanishes
that way

I wonder if
Klaus will
be back?

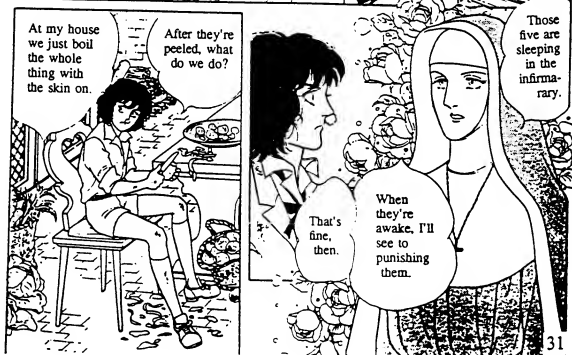

We're
sorry,
Sister.

Didn't I tell
you not to
damage the
field!

For
punishment,
you'll carry
these potatoes
to the kitchen
and peel
them.

Huh?

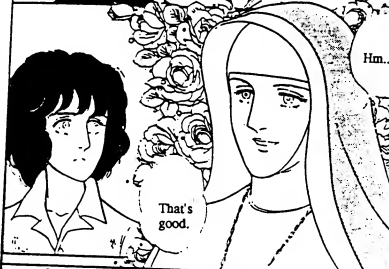

I've never eaten anything like that.

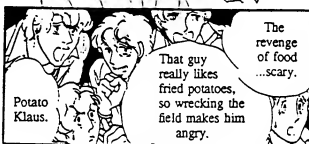

They're cut into narrow pieces and fried.

What!

Klaus! The underclassmen are being rowdy in the potato field!

Potato Klaus.

Don't wreck the potato field!

HEY!

Germans have always eaten potatoes!

People who waste potatoes aren't real Germans!

Look out!

Wah! Run, it's Klaus!

Hm.

I'm an old woman now.

I heard you were coming to the class reunion, so I recognized you right away.

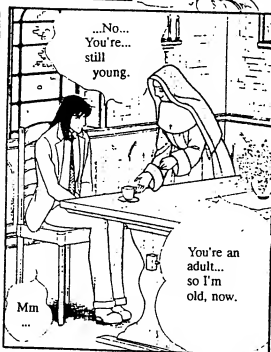

You've truly turned out well.

That won't do.

My throat's gotten weak, lately.

... excuse me.

...No... You're... still young.

You're an adult... so I'm old, now.

Mmm...

since I'm sensitive to the slightest bit of smoke.

Thanks to that, it's easier to catch students smoking.

cough cough

It bothers the people around you, too.

That's good. Tobacco isn't good for you.

... I'm not smoking.

pts of drawbacks, not one advantage.

Yes.

That reminds me, you used to smoke secretly. How about now?

Yes.

real men

Most people
have gotten
married, and

Yes, just
before
I came
here.

Did you
meet
everyone?

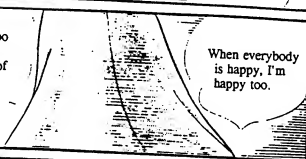

Yes.

It must have
brought back
memories.
Lots of stories
to tell.

Yes.

This too
is the
grace of
God.

When everybody
is happy, I'm
happy too.

You seemed
nervous,
all this
time...

Klaus,
what is it?
You're so
out of
spirits.

Ah...
no...

If we pray
together, the
Lord will lead
the lost
sheep to the light.

It's okay,
Klaus.
You can
confide
anything
in me.

Ah, so you
deliberately
came to
see me...

There's
something
troubling
you, isn't
there?

You came all this way, and I wasn't able to help you. I'm sorry, Kaus.

—Well, Sister, it's time for me to catch my train, so...

Oh, wait a minute.

It's all right, Sister. Don't trouble yourself.

I really don't know how to worry over national secrets...

What's this...

Eat them on the train, if you like.

Please take these with you.

Please give my regards to your butler.

Thank you, Sister. Well...

I just fried them. They're still warm.

Your favorite potatoes.

I'll always
pray for
you, Klaus!

So the
Lord will
protect the
road you
travel on...

Take
care
...

I shouldn't
smoke until
I'm all the
way out of
her view.

Instead,
I'll eat
potatoes
while
I walk.

I won't look
much like
"Iron Klaus,"
but potatoes
taste best
eaten warm...

Even the Major is human. He'll have to fall for it.

Ah, that's it!

So, Iron Klaus. Yesterday's jogging was a tactical move, and you expected this outcome!

You say you all dozed off and missed the train!?

He looks like he'd like it.

It's come to the point that we'll have to try a direct attack.

What fools! What sloppy work!

The third day is finally over. I'm as tired as after a week's work.

It's the Chief. Put it through, please.

Telephone call from Bonn.

I'm mad at you, Chief. Why'd u send me to a place like that?

Hmm?
For once your voice sounds tired.

Eberbach. How was the class reunion?

I have heartburn from eating too many potatoes.

I'd better have a bath soon and get some sleep.

He said,
a woman
will be
with me?

What was
that all
about?

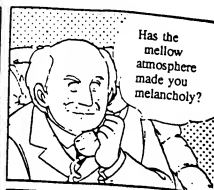

He's
homesick,
now,
isn't he?

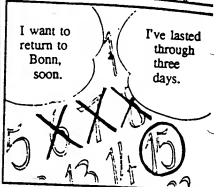

Tomorrow,
a beautiful,
kindhearted
woman will
be with you,
so...

Really?
Really?

Have
fun.
Heh
heh
heh.

Has the
mellow
atmosphere
made you
melancholy?

I want to
return to
Bonn,
soon.

I've lasted
through
three
days.

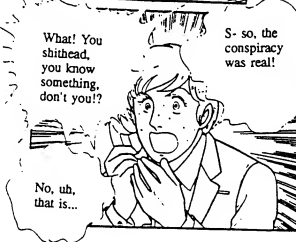

Yes, sir.
This is
Mr. A.

Is that the
the Major?
How is the
vacation?

Stupid Chief.
What
perverted
ideas
are you
plan-
ning?

Did he
mean I'd
flirt with
that tour
guide,
Brigitte?

What! You
shithead,
you know
something,
don't you?!

S- so, the
conspiracy
was real!

No, uh,
that is...

It looks
like the
Chief is
planning
some kind
of
nonsense.

It's horrible,
but I want you
to investigate
a woman named
Brigitte
Koch.

Well...
it's... they
were thinking
if you had a
domestic
life...

It might
affect my
bonus,
so...

Don't tell
the Chief
what I tell
you.

Are you
yearning
for the
Alaskan
icebergs?

You jerk,
when did
you go over
to the
Chief?

Hurry up
and tell
me,
idiot!

Okay.
I'll
do it!

Those
idiots!

That fat, bald faggot Chief!
And the personnel manager,
and the section chief, too!

What?

Oh... ah...
It's a call
from a
Ms. Brigitte...

I'm
clearing
out of
here!

Bring my
bill here
immediately!
Under-
stand?!

I've no
need for
that kind
of woman!
Hang up
on her!

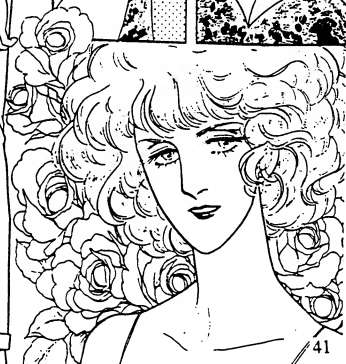

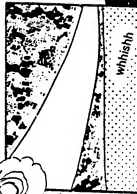

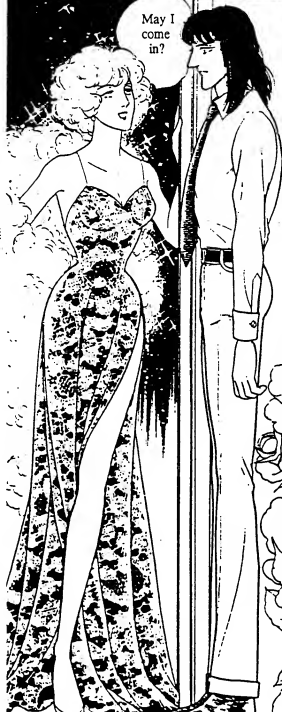

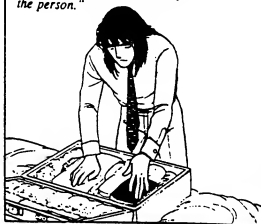

But
sir...

*Me as "domestic"! If the story
gets out, I'll grab a missile
and self-destruct!*

*I feel
a chill!!*

*I feel
SICK!*

It's pretty brave of them, trying to set me up with a woman! That's called "choosing the method for the person."

Get out
right
now!

I know
why you're
here!

GET
OUT!

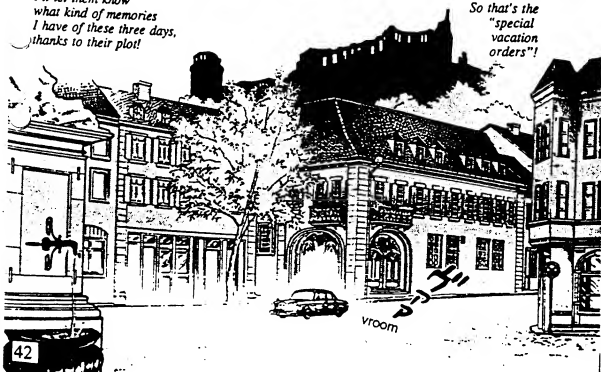

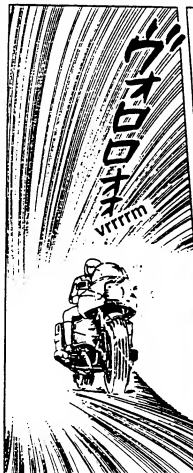

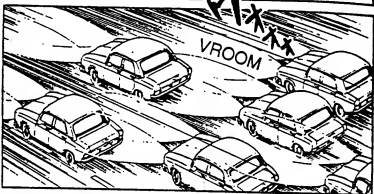

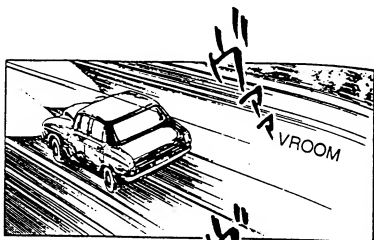

Shit!

Imagine, passing
such a tramp
off on me!

*I'll let them know
what kind of memories
I have of these three days,
thanks to their plot!*

*So that's the
"special
vacation
orders"!*

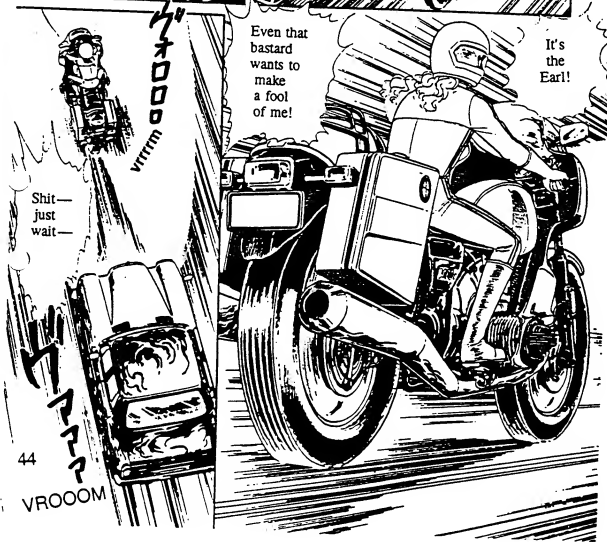

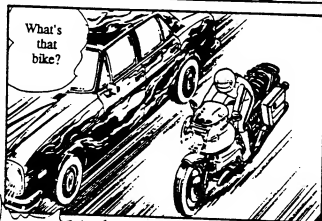

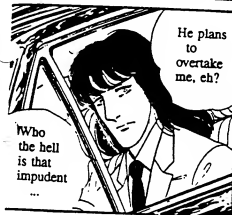

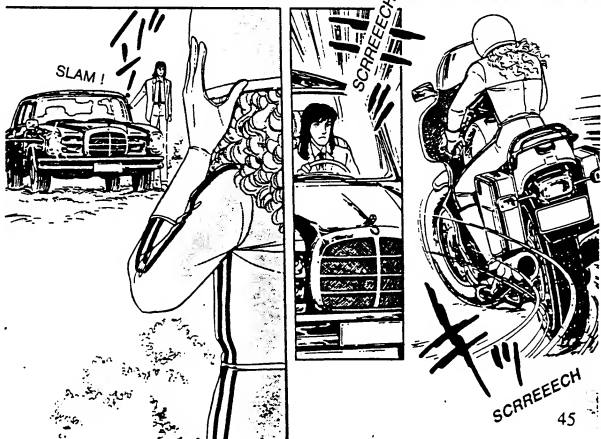

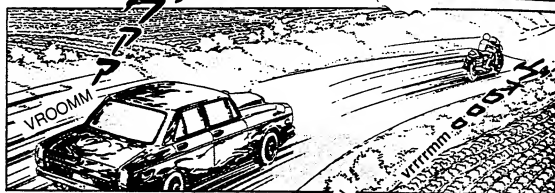

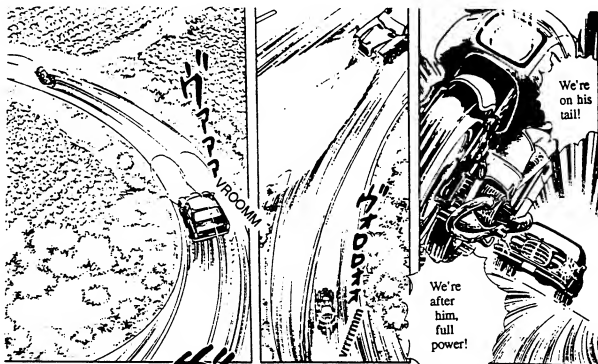

So, Iron Klaus. In one glance, you saw through the woman the KGB sent. But where a woman failed, we can try a man.

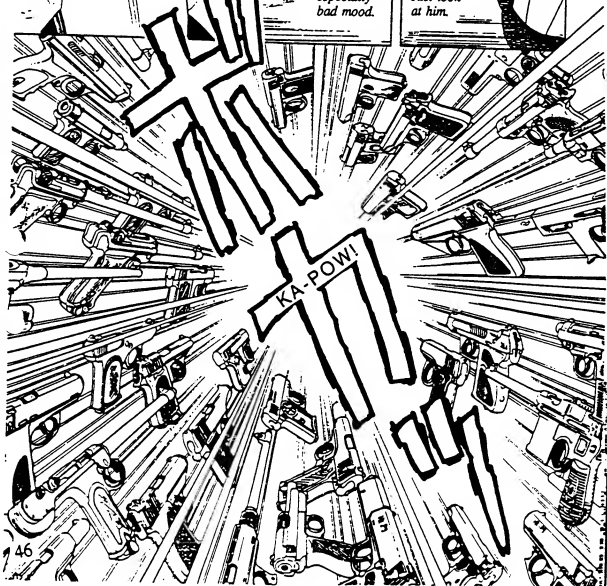

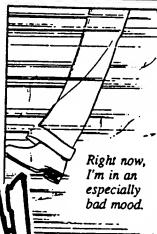

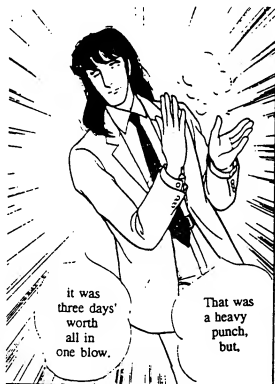

According to our records, there is always a man in the Major's shadow.

A man who has an intimate relationship with him.

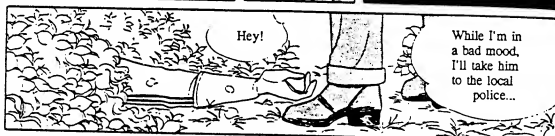

it was
three days'
worth
all in
one blow.

That was
a heavy
punch,
but,

Hey!

While I'm in
a bad mood,
I'll take him
to the local
police...

Hmmph!

Wrong
identity!

You're not
the Earl!

If
you're
angry, it
should be
against
that
bastard.

But it was
a mistake
for you to
appear here
looking
just like
him.

Can't you say anything
but, "Indeed, Iron Klaus"
You're incompetent!
Report to Siberia!

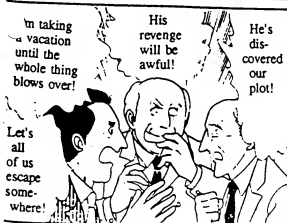

Comrade
Green Badger,
orders from
headquarters!

Um.

Now for the Chief,
the personnel manager,
and the section chief.
How shall I get them?

I'm in a little
better mood,
after punching
that guy.

in taking
a vacation
until the
whole thing
blows over!

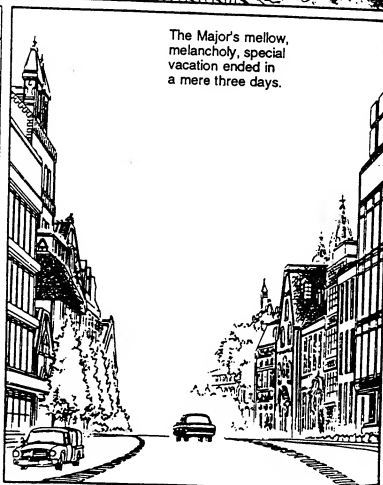

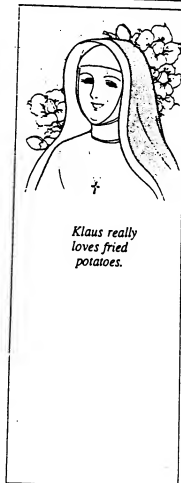

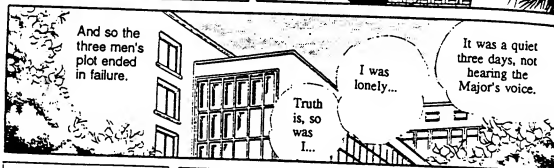

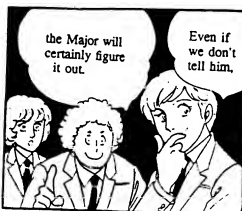

His
revenge
will be
awful!

He's
dis-
covered
our
plot!

You say
he's in
a rage?

What?
The Major
has returned
to Bonn!?

Chapter 1
of the book
was there.

From
London,
London.

Let me
look at
the photo

What
do you
want
with
me?

I am just
thinking
of asking
you.

Yes, Mary
Barrett.
It's London.

How
do you
definitely
see
things?

Then you
won't meet
the man in
the ground.

What
are you
asking
about?

The next time
I'm here.
Please read
the poem and
remember.

You had said to
your girl —
I think, you
wanted to be
my boy.

That is when
I wrote
to you, I was
in London.

There
was
a letter
from
you
about
me.

It is almost
certain you had
just come back
from work.

What
the
hell's
going
on?

There's
something
about
this...

Really
this
whole
situation
—maybe

The
situation
will
become
clear
and
more
logical,
perhaps?

The
hatted
gentleman?

I
don't
know
anything
about...

Please
and
thank
you
very
much.

I
wonder
I
might
know
the
gentleman
with
my

No,
it

I.

I

that
Gentleman
though
he
goes

Oh,
that's
all
right,
but
I
don't
know
anything
about
it.

It's
a
different
page.

This
is
clearly
a
place
for
collecting
data.

Keep
it
simple,
please.

I have something
that's really really for
you. Here, take your
mom's bag of rice.
Here are some eggs
your mother loves!

Oh,
look.

Your mother really
loved it. Look at my rice
and how it's changed
me so much
over time.

Your mother
really will
be happy to
know that
you love
all her rice.

Here
is a
rice.

Here
are your
eggs, my
rice.

You were
such a good
child. I was
so proud to
know you.

Oh, my
rice.

Remember
that my
mother
loves
rice.

Oh, look
at the
rice. It's
so good to
know it
was my
mother's
rice.

Another
great meal
from
home.

When I think back to the
past—when you were
young, I want to tell
you how much
I loved you, my
mother.

When my mother was
old and sick, I was
so young and full
of love, I had a lot
of trouble...

And his
mellowness
or otherwise,
the quality

There is, for
that one year
at least, the pattern

The
man

Just as hard
to be content
with the
good places

The man and
the old my
breakfast

That it's
the first
moment

There are
things to
be done

Why did I
put into the
ground
that?

The
old

What the pattern
shows me my
limitations, and
a place and to
making the map.

Don't expect
me to

A great man
like this,
looking about
the objects...
I must have
been

There
was
none.

You
left?

None.

None, absolutely
none. Not even
you.

Not
even
you?

If you
want to
have kids
in prison.

That's exactly what I
was doing. I was
going to be
happy.

Oh,
that's
right.

What do you
mean, tell
my mother's
mother-in-law
to get out of
here?

That reporter who showed up in
Darien... and she showed
all my secrets... Everything
showed her in a good light.

Is that
the whole
story?
Or is it
just a
part...

I don't think
that's the
whole story.
You're
not
telling
me everything.

She's
not
happy
with
me.

There are great things
waiting
for you

I suspect it's
okay, but I'm
still skeptical
of the mayor

There are no
barriers here
at all to anyone.
You'll love it
here.

Everything I've tried to mention. Let's go to the Japanese gardens. I have another book there.

I suppose you must be used to this.

How can you be so sure about it?

Think me just a bit of it.

I know why the country is so poor.

Think you can?

And the order of the world, in all places.

But as for the world...

But even so, a professional, in the end, is the only one who can make the world...

It is nothing but the world...

Of course, this is the only chance for them to make an appeal in the world.

I just don't understand that yet.

You have the feeling of the world on you.

"After the first round of the wedding, we spent with the 40 couples. I went to bed."

"After, each couple is invited to receive the car."

"Probably, I never heard that it's a 'family meeting'."

"I was just thinking how much Karl's would cost me."

"I've wanted to see you sitting in this."

"What are you doing?"

"It's a 'family meeting'."

"I'm a little bit of a fan."

"What is this?"

"It's a 'family meeting'."

"Could you stop thinking that you're right?"

"I'm not just saying you're an idiot."

"Anger. Even when you're not angry, you're not angry. Just the way I feel."

I didn't believe in the first place!

The whole situation surprised me!

She was there when...

When you I think this is really...

How could...

And then you for the first time...

She really goes to the hospital every three months...

She's not a girl in love...

I don't see it every time when she looks like the Mayor's...

You can't imagine privacy!

There's one thing that you...

it was an
amazing
show, though.

The importance
of the "major" vote
is being overstated.
It was the crowd
speaking at the
conference that
counted.

What if I
can't find
the
conference
time?

The strongest
quality would
be to have
been that a
major conference.

There
was
a lot
of
support
for the
idea.

Did you
want a
major
conference
or not?

Support
your
idea
from the
beginning.

It's the
idea
that
counts.

Yes,
there
was
a lot
of
support
for the
idea.

Every
meeting
made
him up
for it.

All the "major
conference" was
done, and the
conference
was the best
conference.

It's the
idea
that
counts.

Yes,
there
was
a lot
of
support
for the
idea.

This is the College Store. There's a sign over the door. Please don't mess around at home.

Maybe I should come.

It's a pleasure to meet you. See you later.

She will have dinner with the mother, right.

It's the mother and the mother's mother.

Remember the old time in the old time.

Remember the old time in the old time.

Remember the old time in the old time.

Remember the old time in the old time.

I want to be a mother.

I want to be a mother.

TODAY

It was at
this point
Seymour took
a five-minute
break...

Seventeen
minutes. It
is not a great
long. A large
auditorium
could handle...

Seymour began early
hours of the morning.
There was no audience
in the Senate Chamber
at the DC Building.

Little did you
know that you
were there...

Clearly

It was the
first time
you were
a woman
here.

It's a
great job.

Now they
want you
to be at work.

I thought I'd be
the one to
be at work,
in the
position of
the man.

So
nobody
wants you
here.

There's no
doubt
you're
a woman
here.

The woman
you were
in the
position
of the man.

Can you
be a woman
here?
There's no
doubt
you're
a woman
here.

But you
will be
a woman
here.
There's no
doubt
you're
a woman
here.

It's
not
good
to
be a
woman
here.

There's
no
doubt
you're
a woman
here.

I
don't
want
to be
a woman
here.

There's
no

you're
a woman
here.

The woman
you were
in the

of the man.

The better

They'll

We

Germany

All politicians

My cousin
said the
same
thing.

The other
week I
read
that post.

That's
interesting,
but not
impressive
to me.

Really,
you're not a
strong
believer.

I hope
you're still
disappointed
about the
fact that
you're not
right.

Remember
the guy on
television.

But
what?

The woman
looks like
she's
in trouble.

It's different.
There's just
no way.
This is a new,
completely
different
situation.

What
day is
today?

But
what
day?

It's not a
strong
impression
to make.

The assistant
that never will

is leaving. Come
with me
at once.

Sorry to
leave you
waiting.
Here's the
product!

I'm sorry but
the assistant
is not
at the moment.

If he doesn't
get here soon,
I'll speak to
your company
president!

I
understand
it.

Why don't
you go to
your house and
wait there until
I get away.

Give me
this and
the lot.

What the hell
are you saying?
Your company
means a
lot!

How can
I know?

It's all
right.

That's
right!

Just that,
your wife
isn't
happy.

Butter's
not
even
here.

Don't fail!

I thought I'd get a little more of sleep!

If I have more, I'll be better equipped to meet them.

I was sitting at my desk when you...

This is the Museum.

I'll accept you with the same as always.

Something about my looking better? I see in the film.

The Queen of England will be here tomorrow. She will meet the king and the children in their private.

I understand. I'll accept you if you don't forget away.

Someone who has a good idea of what's going on is not the same as someone who is not.

How can you ever figure out what I want?

Good.

There is only
one wedding
in the
country
this
month.

It's
the
wedding.

Good, the
wedding's
probably
the best.

The more time

a house
of anything.

Everyone
was just
sitting there
and not
talking.

It's just
sitting
and not
talking.

You'll get
the most
right away
because?

Yes, I
think
the most
right.

Yes, I

right.

That's a

No, I want
you in the

I want
you in the

Maybe
you'll
change.

You mean
something
to me, don't you?

I wish you
to become
my friend.
Are you
wondering
something
more about
it?

The first
is this.

Now I'll
tell you the
interesting
part.

It's a
little
more to
it.

It's a

more to
it.

It's a

it.

It's a

It's a

Did you I hear anything get wrong at work the important anniversary last year?

It's important that with you if something's broken, to quickly replace it.

Oh, please not.

Employees can be taught to take care of things, but it's not really necessary to have them, and even so for what.

What's the deal?

Oh, yes?

Oh—please.

Major, you're kidding me.

The hell is this?

Oh, please, no more of this.

What's the deal?

Oh, please, no more of this.

What's the deal?

Mr. T says
"I'm not a hero."

It was the right idea to suggest saying so, but not to suggest the other parts about it.

I wanted to be in the right mood to write something like this.

And when it comes to the end of the world.

When I can't seem to find anything, let me get some and take a look.

Well, someone's going to be the first to see this.

What if just a little
from the show
is too little? Just
plenty of something
on the way?

We learned
all right, but
we couldn't
find anything

I was waiting
for the show
to come out,

Let's talk.

Where are
the good
beauty queens?

What the hell
are they doing?
We have a few
days and weeks
left now!

This really is
rough weather.
Even the police
have trouble

There's no
the police!
Get it?

Sound of the
police whining
up stairs.

I want

I have

I'm going

How

I'll have

My look

I want to be

Allegedly, right? And he wanted to take revenge on you, right?

That guy probably thought he had a plan all over you.

What?

Oh, come on.

Is this gonna get you a medal?

Like?

There's no prize in promoting your own success. I said, that guy will shoot this place.

Well, you're planning to make money and you will run down all

What's he talking about?

What's your attitude? Keeping others awake.

My fault?

Shouldn't you not be talking to anyone now?

Try with a stronger attitude to shut me down?

This is intended to

But it is the

that

This is
intentional

it's not

It's about

This is

On the

the

What
happens
next?
Oh!

You better
start taking
your sleeping

home to
England!

And all the
pillows under
my nose
flew, then
I closed my eyes
I started to
sleep.

From now on,
when I
close my eyes,
I think of you.

Oh,

Thank you
for this
help,
Maggie.

It's a
happy
time.

I wish
you
happy
too.

I'm
happy
again,
you know.

Good-
bye, you
are
good,
Maggie.

The very
best to
the house.

What's the
best of
the house?
The house
and the house

Oh,

What's the
best of the
house?
The house
and the house
and the house.

Well,
I've met
most of the
town.

We've made
an "A" team
and "B" team.
Nothing's
changed.

It was

about things
already
in progress.

Let

How
about?

Good thing,
this time and
your name is
passed the
international
mission.

We do have
about the
international
mission.

Developed well.
They seem to want
it, yes, they help
your mission.

WHAT?

That international
mission is still
not the best
mission they
can...

So you
can't
just let
it.

Are you
sure, you'll
start a
new mission
by...

Exactly
as you
started it
for a month.

The last letter will

The letter

I'll send
the letter

I'll tell you about the letter
